"One worry that all insureds have is whether their company can really deliver on the best service when a claim is made. All companies promise to take care of future claims, but performance is what is important. Leland-West and the American Modern Home Insurance Company handled my claim in a matter of hours. Their staff was very professional, courteous and fully understood my concerns that my Porsche be repaired properly and promptly. I trusted Leland-West and American Modern Home Insurance Company to be there when I needed them and they were."

"Leland-West Insurance has been a positive experience for coverage of my collector cars. Holly Bromberg has assembled an affordable yet thorough policy for Porsche owners. Leland-West, where Excellence can be expected!"

Friendly, Knowledgeable Customer Service

Established in 1983, Leland-West specializes in the classic auto insurance market. Holly Leland Bromberg, the company's President, is an avid sports car collector and enthusiast. "We talk to car collectors every day across the country. We sponsor and attend major car events nationwide. We actively participate in car club events. We understand both the fun and anxiety of collectible cars." **We get it!**

Premium Savings of 35% or more!

Policyholders save an average of 35% or more compared to traditional daily or other antique auto policies. Special low rates are based on the premium volume of our program, good driving records, limited annual mileage and the extra protection typically afforded to the car by policyholders.

Big Money Saving Discounts

We give special discounts based on the age of your classic car and the number of years you have owned it. Discounts based on your age, anti-lock brakes, alarms, airbags and a multi-car policy may apply.

Stability

Leland-West has been in business since 1983. Our family of policyholders grows steadily. Rated "A+" (Superior) by the A.M. Best Company – leading analysts of the insurance industry – our program is underwritten by American Modern Home Insurance Company.

Reliability

Leland-West renews more than 98% of its policyholders each year. Our greatest source of new customers comes from referrals of our thousands of satisfied policyholders.

"Agreed Value" is the Best Policy

We provide "Agreed Value" policies. We both agree on a value for your car before we issue the policy. In the event of a total loss you know exactly what you will receive. Most other policies provide "Actual Cash Value". After a loss, their claims adjuster decides what you get paid. **Good Luck.**

Some collector car policies provide "Stated Value". Stated Value policies contain a hidden "Actual Cash Value" clause. Claims adjusters do not have to use the "Stated Value". **Surprise!**

Fast, Efficient Nationwide Claims Service

We provide toll free claims service nationwide. Claims checks are sent to our policyholders the same day we receive their repair estimates. When necessary, a claims adjuster will come to your assistance wherever you are.

Larger Claims Settled Too Quickly?

Ever wonder why some insurance companies settle claims on the spot or too quickly? Taking your car to a paint or upholstery shop to obtain the cheapest and fastest repair may not make you happy. We understand the need to have only qualified shops work on classic cars.

Flat Bed Towing Included

Peace of mind is important when you are on the road. That's why Leland-West includes coverage for flat-bed towing. Up to \$150 per occurrence, \$300 annually. There's no extra charge. **It's included!**

"I am extremely pleased with the Leland-West Select Auto Insurance Program for Porsches. Finally, an insurance broker who knows the difference between a 911 and a 944! The "agreed value" aspect of the program is excellent. I no longer worry about full coverage on my '74 Carrera, as both Leland-West and I agreed on the current market value before the policy was written. This program is outstanding."
