Distributor: Performance Products

"When the Board of Directors of the 300 SL Gull Wing Group decided to research the possibility of obtaining reasonable collector car insurance for 300SL club members, Leland-West Insurance Brokers, Inc. was highly recommended to us by other collector car owners. I was very impressed with Leland-West, their professionalism, knowledge, openness and desire to establish a nationwide program for the Group. I know

it took considerable effort on his part to deal with all of the individual state insurance departments to have our special low rates approved. Holly was always available, at our board meetings, to answer our questions.

Personally, my Agreed Value policy from another well-known collector car insurer dropped by well over 50% when I changed to Leland-West. In my opinion, Leland-West has successfully structured a fair and reasonable policy that provides the coverage I want."

Bill Beckers

"During my first term as President of the 300 SL Gull Wing Group, I along with many other members felt that a better insurance program was needed for our membership. After talks with the Porsche Club of America and other car clubs, we asked Leland-West to have a look at our needs. After due process, our current program was developed.

When this coverage became available in

Georgia, we lowered our premiums by approximately forty percent and increased our insurance coverage. With a clean driving record, we qualified for Leland-West's insurance. Within a year we had a claim, talked with Leland-West, and soon a check was in our mailbox. It has been a pleasure to have personal attention. Our phone calls and questions, even our claims, have been promptly answered.

Elda and I can wholeheartedly recommend Leland-West."

K.B. & Elda Pearce
