*Collectible Car Insurance for the World's Most Passionate Drivers*

What would you receive from your insurance carrier if your car was stolen or totaled? If your car was damaged, would your insurance company allow you to choose a repair shop of your choice even if it cost more money? Does your policy include flat-bed towing at no extra charge? Do you receive lower premiums for the few miles you drive? Do you receive extra credits for the special attention you provide and the number of years you have owned the car?

If these questions cannot be answered in precise terms then perhaps it's time for a change. We'll explain exactly what coverages and extra benefits our policies provide and how our services are of direct benefit to you. Clearly the collector's choice!
