Banking Company

Dedicated to Your Future

We're Banking On Your Future!

It's tough to be in business today. Competition is fierce, the economy is tight, the demand for quality is higher than ever, and everyone is looking for the best staffing.

An exceptional banking relationship should not be one of your problems...

The Middlefield Banking Company has created banking practices and products that build on the future of your company. It's teamwork and vision that have taken us into our second century of doing business. We have the same sense of determination that you do. We know that you want honest, no-nonsense service, convenience, and answers now. In order to be competitive you need to take care of business, not banking.

We give you room to grow...

The Middlefield Banking Company has taken a leadership role in our region for 100 years as a bank that believes in people. We offer front line decision making, eliminating the wait. We give you the power to act without delay. Whether your need is \$2500 or millions, we offer

- Capital Improvement Loans
- Corporate Lines of Credit
- Cash Management Tools

We give you options...

The Middlefield Banking Company is anything but a stuffy old banker. Our century of experience has taught us that remaining creative is key to the success of any business. That's why we will listen. You know best what you need to move forward and capture that next piece of business, or to develop the business you have. Do you need:

- Accounts Receivable Credit Lines
- Individualized Lending Options for Key Departments
- International Wire Transfers

Tell us...we're listening

We give you the technology to get the job done your way...with convenience.

The Middlefield Banking Company offers you the ability to bank on line through

- Real Time Financial Data
- Electronic Payroll Transfer
- Electronic Tax Filing

We have all the financial tools for your trade...

The Middlefield Banking Company will be to your business what we have been to all our loyal customers...a safe, secure, local place to handle all your finances. We offer all the products you need to build a future...

- Business Checking
- Corporate Lending
- Corporate Credit Cards
- Electronic Access to Services
- Investment Products

Call us...we're around the corner, and growing with each century to meet the challenge.
