

# SWISSTECH™

# Utili-Key UST

Ultralight Survival Tool

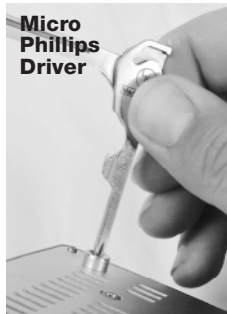

**Opening Utili-Key**

**#1 Flat Blade**

**Caution:** Utili-Key features a razor sharp knife blade designed for all types of cutting jobs. **Not for sale to Minors.** Care should be taken to ensure that the cutting edge is always positioned away from the user. Micro eyeglass screwdriver is designed for eyeglass screws only and should not be used for any other application. Attempting to turn larger screws will cause breakage to eyeglass screwdriver.

**Micro Phillips Driver**

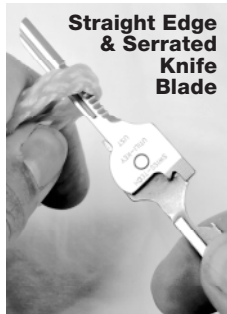

**Micro Eyeglass Driver**

### Warranty:

**Lifetime Replacement Warranty with 5-Day Guaranteed Turnaround**

Your Swiss-Tech tool is warranted against any defects in materials or workmanship for the life of the user. Swiss-Tech uses the finest in scientific surface coatings. Such coatings, however, are subject to normal wear and are not part of the lifetime replacement warranty. Simply return it postpaid and insured to our factory. Your replacement tool will arrive within five working days of our receipt of your warranted tool anywhere in the USA — guaranteed.

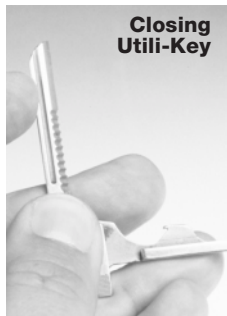

**Straight Edge & Serrated Knife Blade**

**Bottle Opener**

### Maintenance:

Utili-Key's beveled knife edge is designed to protect the user from the sharp edge while in closed position. **Do not grind blade.** Sharpen lightly on flat side of blade to maintain optimum cutting edge. A light coat of lubricating oil is recommended for storage.

**Closing Utili-Key**

**Sharpening Utili-Key**

**Micro Eyeglass Driver**

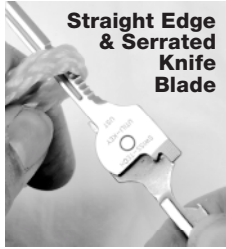

## Warranty:

### *Lifetime Replacement Warranty with 5-Day Guaranteed Turnaround*

Your Swiss-Tech tool and Photon Micro-Light are warranted against any defects in materials or workmanship for the life of the user (excluding battery replacement). Swiss-Tech uses the finest in scientific surface coatings. Such coatings, however, are subject to normal wear and are not part of the lifetime replacement warranty. Simply return the item postpaid and insured to our factory. Your replacement tool will arrive within five working days of our receipt of your warranted tool anywhere in the USA — guaranteed.

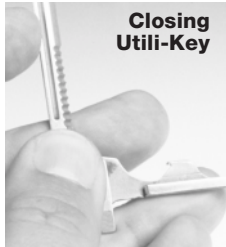

**Straight Edge & Serrated Knife Blade**

**Bottle Opener**

**Closing Utili-Key**

**Sharpening Utili-Key**

## Maintenance:

Utili-Key's beveled knife edge is designed to protect the user from the sharp edge while in closed position. **Do not grind blade.** Sharpen lightly on flat side of blade to maintain optimum cutting edge. A light coat of lubricating oil is recommended for storage.

## MicroLight Battery Replacement

### Changing the Battery:

When you need a replacement battery, we recommend the Eveready CR-2032 available at retail outlets. To replace, simply use a nail file or small screw driver and carefully wedge open the groove at the ring end of the light to open case.
