Swisstrax✛
World's Finest Modular Flooring

Graphictrax✛®

Endless options to customize your floor.

Take your custom floor to the next level with **Graphictrax®** premium printed vinyl solutions. There has never been an easier way to completely personalize your Swisstrax floor with an image or company logo! Whether you are looking to brand your business, customize your showroom or simply personalize your home garage, **Graphictrax®** is the answer.

Choose from thousands of images, patterns, colors and styles or provide your own high resolution file. Your image is then printed directly onto high quality vinyl that can withstand the demands of both residential and commercial environments.

Graphictrax® incorporates the printed vinyl image within an interlocking Polypropylene base. The base features the same patented channeling system as the Ribtrax® tiles, ensuring maximum air flow underneath as well as a sturdy, comfortable feel. **Graphictrax®** can be incorporated with any of our 15.75" tile styles to distinguish particular areas and meet the needs of most any flooring environment.
