It is tough to be in business today. Competition is fierce, the economy is tight, demand for quality is higher than ever and money is hard to get. **The relationship with your Bank should not be one of your problems!**

The Middlefield Banking Company has created a sense of teamwork and vision that our customers appreciate. We have the same sense of determination that you do. We know that you want honest, no-nonsense service, convenience and answers now. You want a Banker to step up when you present a challenge. That is what we do.

In order to be competitive you need to take care of business ... not banking.

The Middlefield Banking Company has refined the technology you need in today's commercial environment plus the old-fashioned human connection that makes business personal. We still believe that honesty, integrity and responsibility are the hallmarks of how business gets done. If you agree, contact one of our Banking Partners today to see how we can work together.
