Heavy Duty Down Press Wringer Bucket Combo

Commercial grade industrial plastic molded from a post consumer proprietary rubber compound, which is engineered for durability and resilience. Attached 3" non-marking casters, comfort grip, form fit bail wire and easy to clean. Bucket features reinforced double wall rim and thick wall construction. Down press wringer has dual drive nylon gear mechanisms for heavy-duty performance and long life.

Heavy Duty Side Press Wringer Bucket Combo

Commercial grade industrial plastic molded from a post consumer proprietary rubber compound, which is engineered for durability and resilience. Attached 3" non-marking casters, comfort grip, form fit bail wire and easy to clean. Bucket features reinforced double wall rim and thick wall construction. Side press wringer has uni-body design for heavy-duty performance and long life.
