The Pro Deluxe has a high powered magnet that locks the handle to the tool in storage position and to simplify removal of excess solution off the pad when used with The Edge Bucket.

Features:

- Large head fits 16"/18" pads for professional needs
- Easy release red buttons on each side of mop head for quick release and disposal of dirty pad
- Strong Velcro® to keep the microfiber pad in place
- Durable construction
- Heavy duty 360° swivel action, easy to maneuver.
- Designed to use with the Edge Bucket

pop mop™ pro

An innovative, yet simple pump action microfiber tool that "POPS" off your dirty cloth! The Pop Mop™ Pro is the smartest tool for simple touch-free pad pick-up and touch-free pad pop-off.
