Thorium

Satellite Email, Weather, E-forms And More ...

Real-Time, Global, 2-Way

All From Your Smartphone Or Tablet!

E-Forms

Eliminate Paperwork!

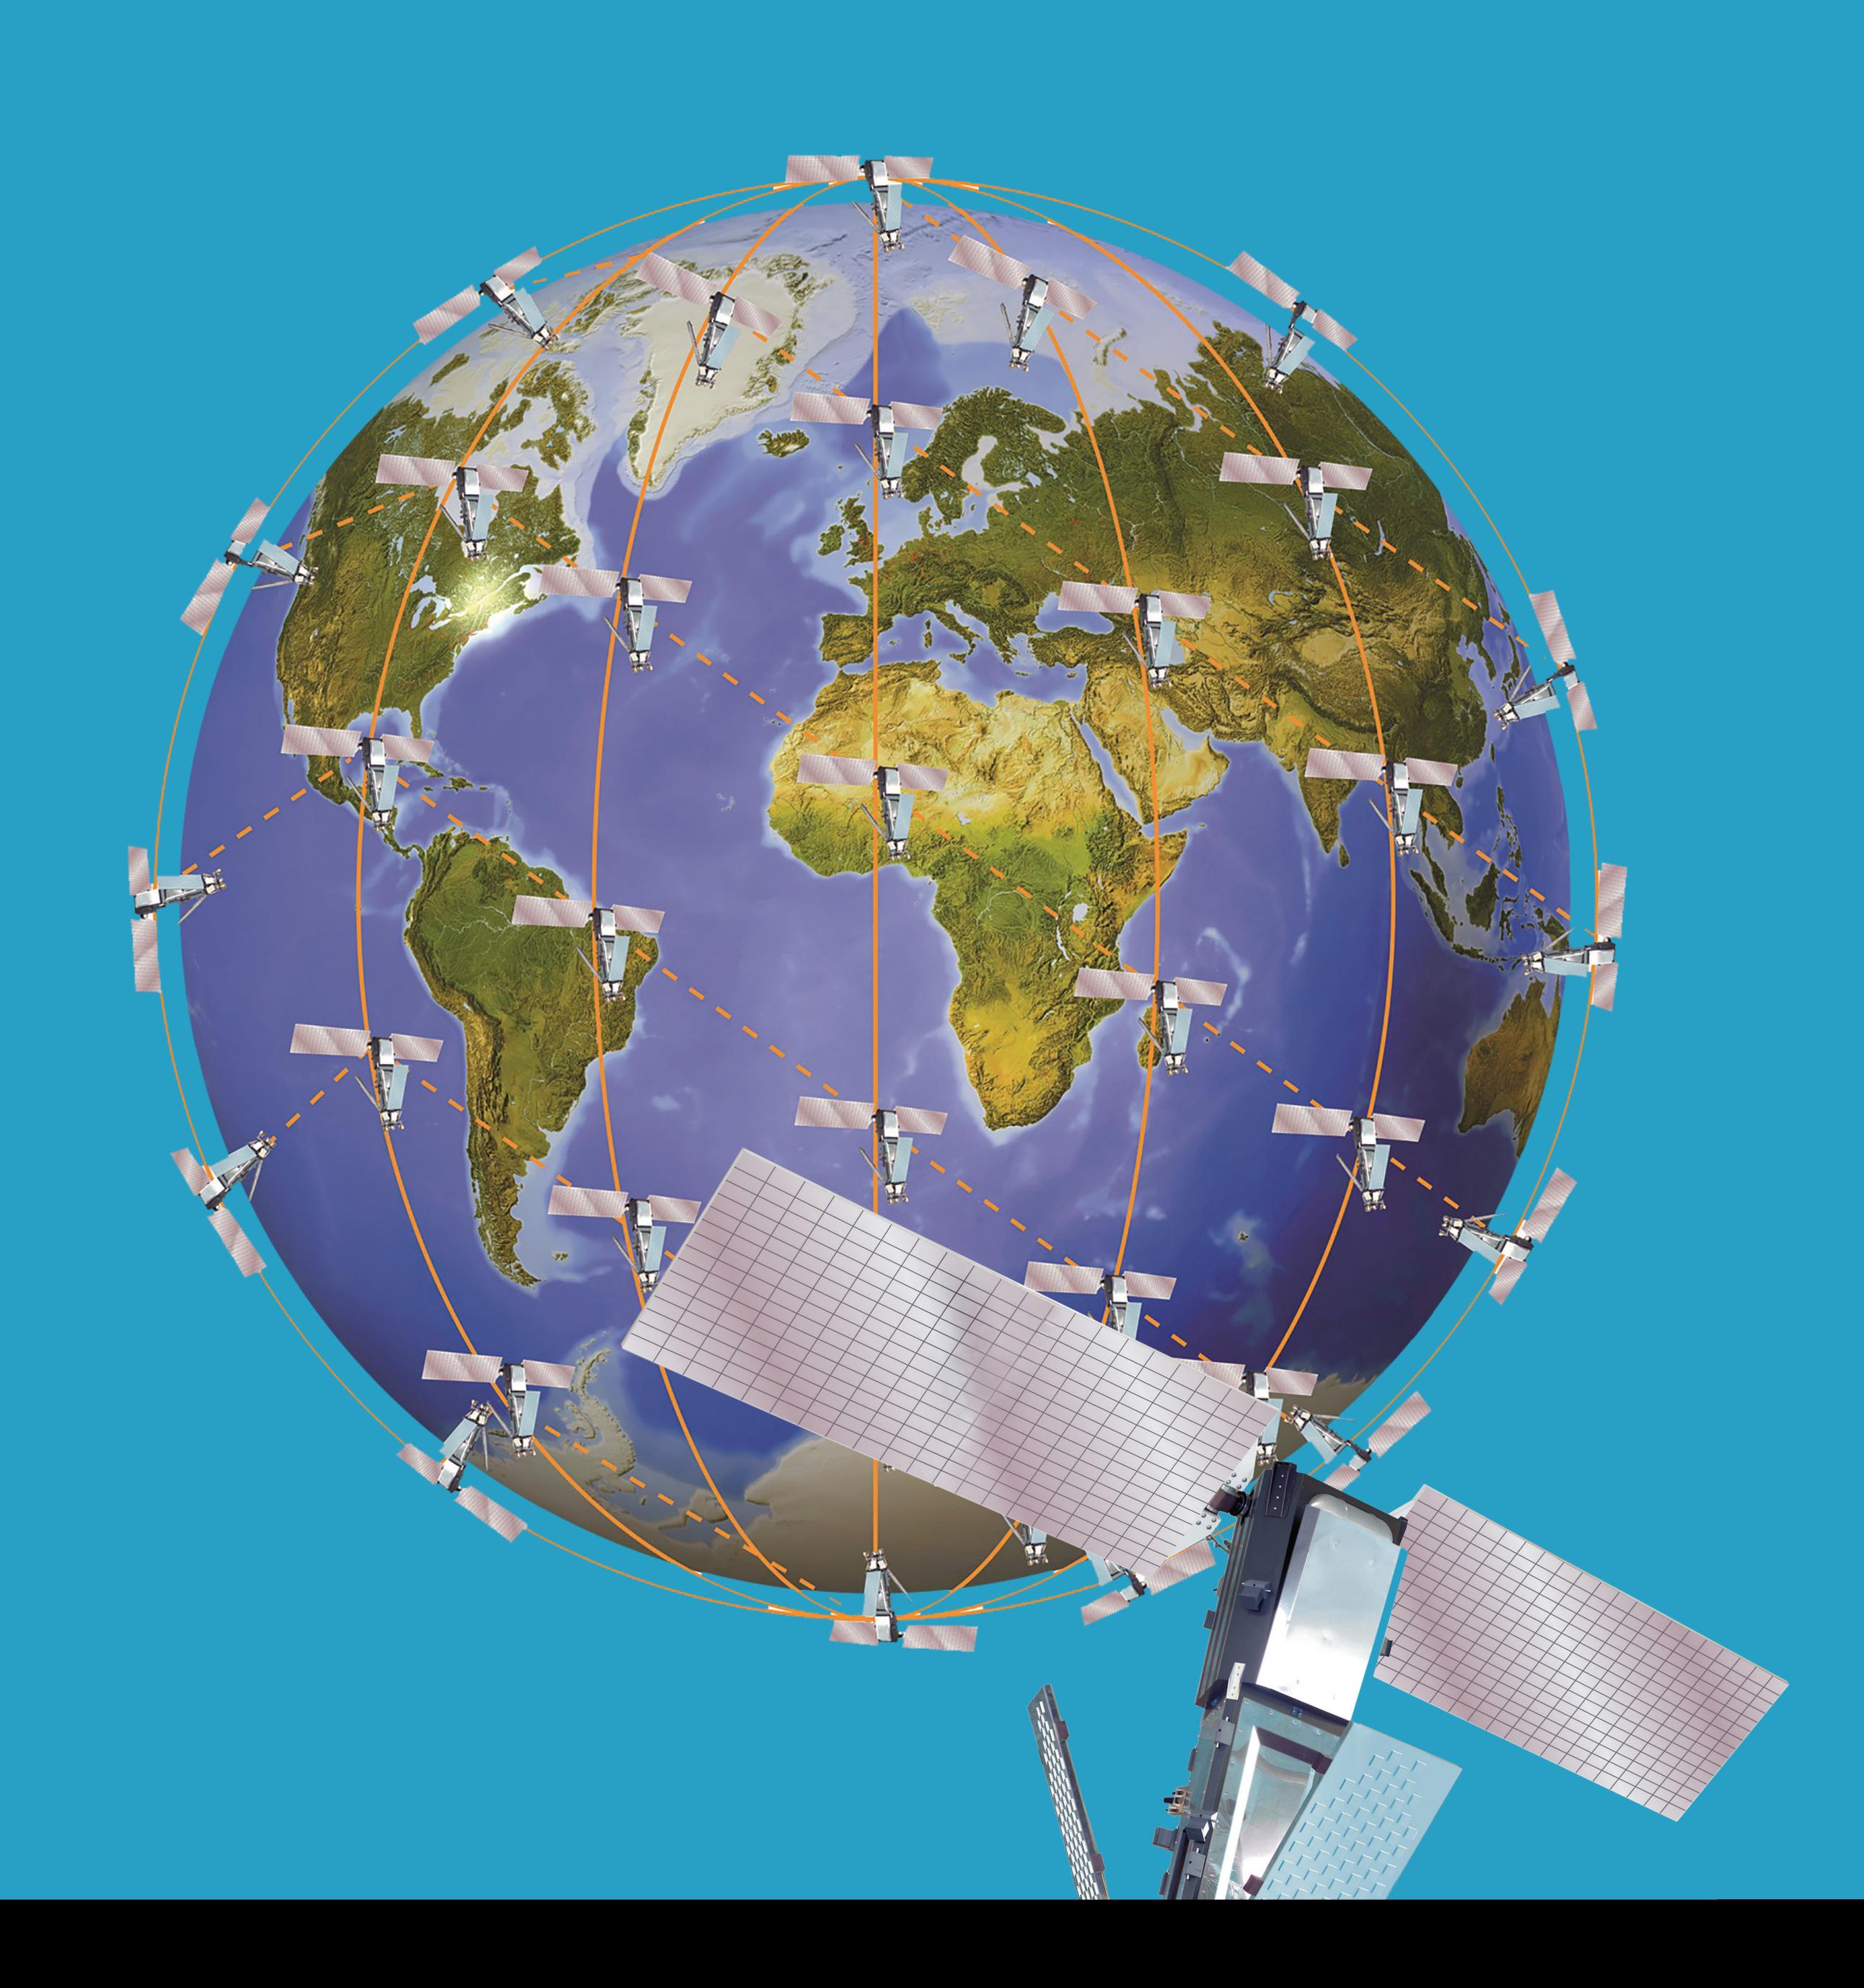

When you need to send regular data - checklists, catch reports, compliance forms, manifests - from the boat to your home or office, you can now do it with your smartphone with easy, custom electronic forms.THORIUM E-forms are simple, real-time, and reliable. It takes the paperwork, out of paperwork!

Thorium Web

Data from your vessel, or from your fleet. Track, sensors, forms and more.

Thorium web allows you to add layers, including ocean conditions, to give you the total view of your ocean fleet.
