

pop mop™ pro

Don't touch a dirty microfiber pad again!

Pop Mop™ Pro
Item #3030

POP MOP™ Pro is the smartest patented microfiber mopping tool for easy touch-free pad pick-up and touch-free pad POP off!

The innovative pump action handle ejects the used microfiber pad from the mop head for convenient collection and reduces the risk of contamination.

The **POP MOP™ Pro** makes cleaning easier and more efficient, leaving the dirty work behind.

Features:

- Patented push-to-release action
- Light-weight and agile, with a full 360° swivel head
- Constructed from high-impact resistant plastic for heavy-duty use
- Fits most 16"/18" wet or dry microfiber pads with hook and loop backing
- Strong Velcro® holds microfiber pads in place while cleaning
- Easy to clean, non-porous frame
