Our Pets FLAPPY DOG TOYS Flappy dogs are happy dogs! The next generation of dog toys is here! Flappy toys have been developed to satisfy dogs' deeply rooted hunting behavioral instincts. The behavior to carry prey in the mouth is instinctive and intuitive for dogs. Flappy is designed to recreate the hunting experience that simulates the look and feel of caught prey. The Flappy body is made of tough material that is soft enough to be chewy, yet extremely durable. The unique texture of Flappy's dental tips and ridges helps to clean teeth and massage gums. Squeaky: To make This toy should be discarded if tears, the thrill of the "hunt" open seams or even more authentic/ damage are Flappy features the detected. Not a original electronic child's toy. RealPrey™ sound, Always superwhich squeaks vise use. Not like an animal in intended for the wild. aggressive chewers.
